*Dear Donors of the Jim McKinney Education Fund,*

*Thank you all for supporting me on continuing my education. This scholarship has taken some of the worry away about how I'm going to help my parents pay for school. It's hard to find a job at where I am at so this is a big relief to me and to my family. I am very happy and proud to be one of the first recipients. I'm sorry this letter has come later than you expected, but I have had finals and had to move out of the dorm for Christmas break. I just want to thank the donors again and hope that everyone has a happy holiday.*

*Sincerely,*

*Jessica Dawn Thompson*
