Dear Friends,

Thank you for making a difference with your donation of \$100 received on June 12, 2007 for our *Operation Heat Relief* fan program.

We started the *Operation Heat Relief* in 1988 to help people who are at risk of suffering heat-related illnesses because they have no other means of keeping cool during our hot Kansas Summers. Since that time, we have given away more than 5,000 fans to needy families and individuals.

The generous support of caring, compassionate people and organizations like you means a great deal to us, and it means even more to those families who rely upon the Red Cross to help them through difficult times in their lives. The need for our caring service is greater than ever and so is our commitment to meeting it.

We appreciate your trust in us, your local Red Cross. We are proud that we have served residents in northeast Kansas with dependability for over 90 years.

If you ever have questions about our services or your gift, please call me at 785-234-0568.

Sincerely,

Jo Ann Long
Director of Development
